## Greenlights

### 1 Make Downfalls Upfalls

Embrace failure as fuel. Use it to learn and move forward.

### 2 Ground Yourself

*"Focus on what is in front of you"*

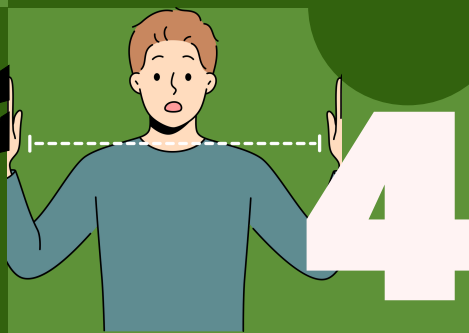

You are your biggest critic. Overcome yourself and be present.

### 3 Never Settle

*"We don't get what we want because we quit early or we didn't take the necessary risk to get it"*

True leaders never settle.

### 4 Creative Boundries

*"Creativity needs borders. Individuality needs resistance."*

Having structure and discipline is key.

# 5

### Construct your own Reality

*"Taking the road less traveled makes all the difference".*

Create your own path and stay true to who you are. Don't let others' opinions steer you. Be your authentic self.
